WEB DEVELOPER

ACCOMPLISHMENT

FreeCodeCamp | 2022-2023

Responsive Web Design/Challenges

- I have successfully completed the Responsive Web Design certification and challenges from freeCodeCamp, officially certified and signed by Quincy Larson, Executive Director of freeCodeCamp.org. This certification represents approximately 300 hours of intensive work, showcasing my proficiency in building responsive, user-friendly websites. It also reflects my dedication to enhancing my web development skills through hands-on practice and industry-recognized credentials.

Legacy JavaScript Algorithms and Data Structure

- I have completed the JavaScript Algorithms and Data Structures certification from freeCodeCamp. This certification represents approximately 300 hours of intensive work, demonstrating my proficiency in JavaScript, algorithmic problem-solving, and data structures. It also reflects my commitment to improving my programming skills through hands-on practice and industry-recognized credentials.
